I believe in you - majestic designer of space and time
I believe in you - composer of beauty and music of life
I believe in you - the holy forgiver and wild reconciler

I am an atheist to the gods of the greedy ignoring the needy.
I am an atheist to the gods who make others torture and suffer
I am an atheist when it comes to the view of the chosen few, who judge and condemn all who differ them.

I believe in you … mighty in meekness and gentle in power
I believe in you … the word who has spoken good news to the broken
I believe in you … Transcending mystery, with us in history
I believe in you
