Em-C  
Hallelujah  
Let your kingdom come

Em-C  
Hallelujah  
Let your kingdom come

Em D  
Let your kingdom come and liberate  
C B7  
Every prisoner of greed and hate

Let it fill our hearts  
With love for you  
For our neighbors and  
For our enemies too

### CHORUS

Let your kingdom come and end all war  
And the pain and grief of the oppressed and poor  
Let all violence be finally put away  
Let the streets find safety so the children can play

### CHORUS

Let your kingdom come and let cool streams flow  
Let your fields flourish clean wind blow  
Let your children save instead of destroy  
Let every creature thrive free in health and joy.

### CHORUS

#### BUILD

G D  
Lay your kingdom come and every knee bow  
Em C  
To the king who was, will be and is now  
G D  
And let justice roll, as the rivers run  
Em C  
And let death give way to resurrection!
